

Serenity Prayer

God, Grant me the serenity
to accept the things I cannot
change;
the courage to change the
things I can;
and the wisdom to know the
difference.

It is easy to let up on our spiritual program of action and rest on our laurels. We are headed for trouble if we do, for alcohol is a subtle foe. We are not cured of alcoholism. What we really have is a daily reprieve contingent on the maintenance of our spiritual condition. Every day is a day when we must carry the vision of God's will into all of our activities.
"How can I best serve thee—
Thy will (not mine) be done."

Do we have the "Courage to Stay" and do God's work?

The Set Aside Prayer
God, Please help me to set aside everything I think I know about myself, my disease, the twelve steps and especially you; so that I may have an open mind and a new experience of all these things. Please let me see the truth and do thy will always.
